Celebration

of the Arts

Celebration of the Arts is a time where the students that participate in the fine arts program get to exercise their hard-work and talent in front of an audience. This show included singing, dancing, drama, and art ranging from photography to paper maché. The students worked hard throughout the school year to prepare for this evening of entertainment. This is an afternoon that everyone can enjoy.

Below the combined efforts of the Mount de Sales Chorales and the young ladies of the Chorale left the crowd stunned with their rendition of two classic pieces: Danny Boy and Cantate Hodie.

Below students display pieces of art that they have worked on all year. The pieces ranged from paper maché to photography.

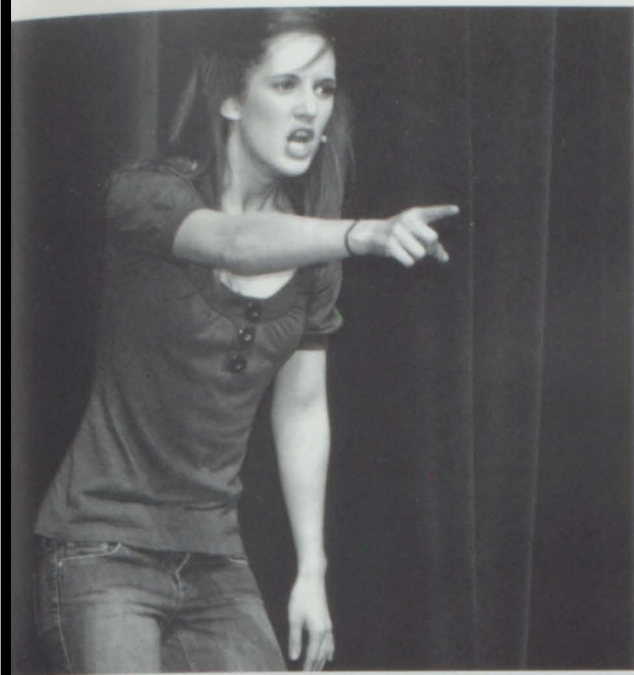

Above a few members from the Middle chorus are shown. The Middle School Chorus amazed the audience with their talent and showmanship.

The Middle School Chorus practiced very hard and it showed. During the performance the audience was very impressed with their performance.

The talent showcased at the Celebration of the Arts not only included the singing performances of the Mount de Sales Choruses but it also showcased the talents of theater. The audience was also allowed to preview the students who entered the literary competition. Curt Smith wowed the audience as he played his selected pieces for the piano competition. Other students left the audience laughing and crying as they performed their comical and dramatic interpretations. The students put in a lot of work to make sure their performance was great. Their hard work paid off in the end by leaving their audience in a state of amazement.

Cavaliers keeping this hard fought tradition alive.

Coach Todd Freeman gives his timeout talk to the guys while they take a drink of water. These words of wisdom give our guys more of an edge on the opponents.

Kyle Grant, our starting quarterback, decides to run when he cannot find any receivers downfield. Kyle was an excellent addition to our run game.

Blake Mahoney rushes down the field with Mikey Upchurch out front to lead block. Each down these guys hit and run as hard as they could to get into the endzone.

Coach Slocum telling the players what it takes to win during their time out. These timeouts gave players time to take a breathe and step back to evaluate how to play better.

Chris Barroso looks on while his defense tries for a three and out so Chris can go back out and throw some good blocks. Big guys like him lead the way for the star running backs.

Willis Kallay and Jamiah Walker run out through the smoke before the game. This entrance gave MDS an intimidating and stylish entrance, which has been picked up by other teams.

Willis Kallay and Kyle Grant talk over some of the previous plays and what Kyle might try to do to win the game. Willis went out from a nerve injury and helped cheer from the sidelines.

The clever little glances she gives me
 can't help but be appealing.
 Sometimes I catch her dreaming and wonder
 where that little mind meanders.
 Is she strolling 'long the shore or
 cruising o'er the broad savanna?
 I know someday she'll learn to make up her own
 rhymes ...
 Someday she's gonna learn how to fly,
 Oh that I won't deny.

For Ana from her grandmother.

When your daddy was a teenager, the book in the Bible he read the most was Proverbs.

These verses remind me of you:

Proverbs 31:10 - Who can find a virtuous woman! For her price is fair above rubies.

Proverbs 11:16 - A gracious woman retaineth honor...

I Love you.

Lyrics from Wicked
"I've heard it said that people come
into our lives for a reason, bringing
something we must learn.

And we are led to those who help
us most to grow, if we let them, and
we help them in return.

Well, I don't know if I believe that's
true, but I know I'm who I am
today because I knew you.

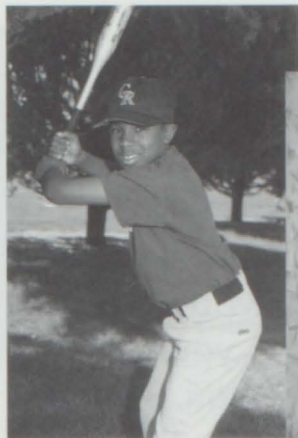

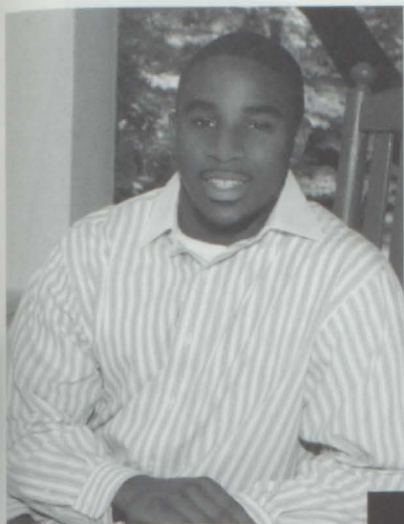

So let me say before we part: So
much of me is made of what I
learned from you, you'll be with me
like a handprint on my heart.

Who can say if I've been changed
for the better? But because I knew
you, I have been changed for good.

Unlimited...Your future is unlim-
ited... And just look at you -- you
can do all I couldn't do...Now it's
up to you, for the both of us, now
it's up to you..."

What fun we've had -
I love you, Kae!
